

Helping Legal Team Leaders Tip The Scales In Their Favor, Ethically

Control Litigation Cost

Reduce number of days to resolve a matter

Prepare attorneys and expert witnesses to ethically settle the case

HOW TO CREATIVELY IMPROVE CHANCES OF SETTLING EVERY LAWSUIT IN YOUR FAVOR

Solution

Boost attorneys' and expert witnesses' confidence, command, and visual distinction to be on brand for the case.

CASE STUDY

Opposing expert witnesses gave a friendly technology tutorial to educate the court about a complex technology.

Stronger Charisma and Confidence

Highly Competent

Color and style studies harmonize inner and outer qualities

The optimal wardrobe capsule creates winning strategic ensembles

The one who underperformed worked with JOSEPH after the first court session.

Result

At the second tech tutorial, he then **outperformed and won the judges over** and made the other expert look outdated.

This led to the case settling and coming to a resolution before going to trial.

Because he worked with JOSEPH, he looked equally as powerfully poised as his expertise

The behind-the-scenes work with the winning expert helped him align his look with his voice and his words.

This helped to tip the scales in his side's favor.
